

Annual Charter Cup Fishing Tournament

Founded in 2017, by local builder E.J. Jaxtimer, the Annual Charter Cup Fishing Tournament works in partnership with local businesses to raise funds for nonprofits working to better the Cape and Islands community. This year, thanks to the tournament's participants, the 6th Annual Charter Cup Fishing Tournament was able to raise \$413,000 for 18 local nonprofits—that's a pretty good day of fishing and fun!

After a day's catch, participants loaded their fish onto the weigh-in station where certification of the heaviest Bluefish was to be awarded to the Joslin Diabetes Center and the heaviest Striped Bass to Duffy Health Center.

All proceeds raised from the tournament went directly to benefit a variety of important nonprofits whose work supports the Cape and Islands community.

Angel Flight NE, Barnstable Police K9 Foundation, Big Brothers Big Sisters of Cape Cod, Cape Abilities, Duffy Health Center, Habitat for Humanity Cape Cod, Housing Assistance Corp. (HAC), Joslin Diabetes Center, Local First Responders Mental Health Awareness & Support Initiative, May Institute, WellStrong, Yarmouth Police Foundation, and YMCA of Cape Cod. A unique and robust live auction hosted after the tournament raised funds to

benefit A Baby Center, Cape Kid Meals, The Family Pantry of Cape Cod, Sharing Kindness, Tommy's Place and Yarmouth Food Pantry.

This year marks a milestone for the tournament as over \$1 million dollars has been raised and donated over the last six years thanks to the dedication of the Cape and Islands community. 🏠
