Creating Hope, Building Futures, Changing Lives

Welcome to the RENEW Facilitator Training Portal!

This learning portal is organized in modules that include the materials, tools, assignments, and timelines you to complete the training process as a RENEW Facilitator.

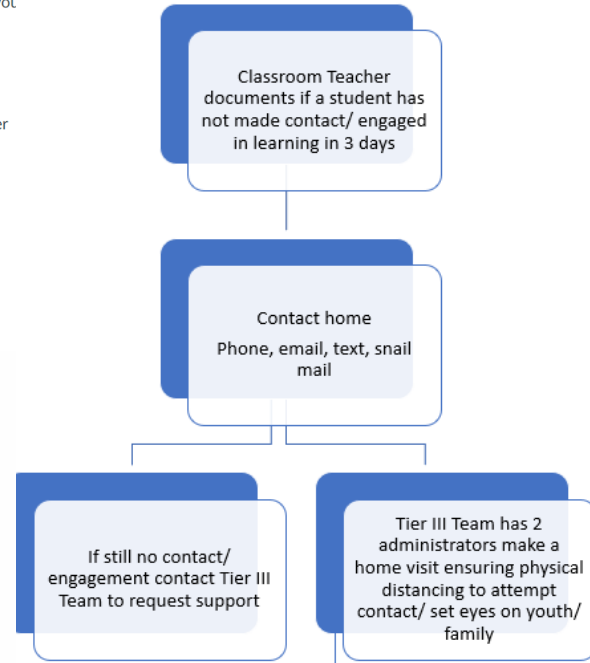

This portal includes tracking your progress toward achieving and retaining optional RENEW Facilitator Certification for you own professional development.

The Canvas platform is easy to use, and there are multiple types of support available should you encounter problems.

We are very excited that you are taking this path to provide RENEW to youth!
